Re: **MEDFORD TWP. – REGISTERED OPEN SPACE INVENTORY**
Amendment Pursuant to N.J.A.C. 7:36-25.3

Dear Ms. Seyboldt:

Please find enclosed a Narrative and Exhibits with regard to the correction of Medford Township's Registered Open Space Inventory ("ROSI") in accordance with the provisions of N.J.A.C. 7:36-25.3. I also supply a certified copy of Resolution 147-2009 passed by the Township Council on May 26, 2009 authorizing and supporting this application.

The properties in question are: (1) the Municipal Sewer Facility at Block 303, Lots 2.01 and 2.02, and (2) the Municipal Public Works Facility and Bob Meyer Field at Block 6405.01, Lots 13 and 18. As indicated in the Narrative and supporting Exhibits, it is evident that the non-recreational uses of these properties pre-date any recreational infringement, and that the 1989 ROSI that created a discrepancy by improperly listing certain lot designations and/or acreage was improper and erroneous. Further, subsequent ROSI filings have corrected this issue, which ROSI filings have been received and approved by Green Acres for years.

Given the clarity of the record, it is the Township's request that the Township's proposed corrections be permitted pursuant to N.J.A.C. 7:36-25.3(g)(1), without need for further expense and time on the part of the Township. Thank you for your consideration in this matter.

Respectfully submitted,
Parker McCay P.A.
