ABOUT the FESTIVAL SPONSORS

Pinelands Institute for Natural & Environmental Studies, a program of Burlington County College

The P.I.N.E.S. mission is to provide opportunities for people to be immersed in local habitats and to discover the environment and culture of the New Jersey Pinelands through field trips, van and walking tours, lectures, and in-class presentations. The PINES operates out of Whitesbog Village within Brendan Byrne State Forest and in cooperation with Whitesbog Preservation Trust.

<http://staff.bcc.edu/pines>

Pinelands Preservation Alliance

The Pinelands Preservation Alliance (PPA) is a private, nonprofit organization dedicated to saving the Pinelands of New Jersey. We use advocacy and education to involve the public and government to protect the natural and cultural resources of this extraordinary region. We support the Pinelands Protection Act and Comprehensive Management Plan, and we seek to improve these and other environmental laws to better protect the Pinelands' natural and historic resources.

www.pinelandsalliance.org/

Whitesbog Preservation Trust

Whitesbog Preservation Trust is a non-profit organization created in 1982 by a group of New Jersey citizens to preserve Whitesbog. The Mission of the Trust is to restore, protect and enhance the land, sites and buildings at Whitesbog and to provide educational and interpretive programs and materials about history, culture and natural environment of Whitesbog.

www.whitesbog.org

Pinelands Commission

The Mission of the New Jersey Pinelands Commission is to preserve, protect, and enhance the natural and cultural resources of the Pinelands National Reserve, and to encourage compatible economic and other human activities consistent with that purpose. The Pinelands Comprehensive Management Plan is administered by the New Jersey Pinelands Commission in cooperation with units of local, state and federal governments.

www.state.nj.us/pinelands/

New Jersey Conservation Foundation

New Jersey Conservation Foundation mission is to preserve New Jersey's land and natural resources for the benefit of all. Since 1960, we have preserved over 120,000 acres of farmland and natural areas statewide.

<http://www.njconservation.org/>

Outdoor Club of South Jersey

The Outdoor Club of South Jersey is a not for profit organization dedicated to providing opportunities for extending the individual's awareness, knowledge, appreciation, and enjoyment of the environment through experiences in outdoor activities. The Club is committed to the wise use, preservation, and respect for the outdoors and its natural beauty.
