

## Background:

The Save H2O NJ Coalition will hold a press conference at the 2015 New Jersey State League of Municipalities Annual Conference to launch a campaign to call on Governor Christie and the NJ DEP to take urgently needed steps to protect our drinking water by releasing the Water Supply Master Plan. The press conference will highlight the impact of poor planning, deteriorating water infrastructure and outdated policy on municipalities across the Garden State.

**When: November 18, 2015 at 11:00 a.m.**

**Where:** The Exhibit Hall at the Atlantic City Convention Center, Pinelands Preservation Alliance Booth #2410

## Speakers:

Senate Majority Leader Loretta Weinberg

Senator Bob Gordon

Additional Elected Officials TBA

Jennifer M. Coffey (Association of New Jersey Environmental Commissions)

Jaclyn Rhoads (Pinelands Preservation Alliance)

Ed Potosnak (New Jersey League of Conservation Voters)

Stacy McCormack (American Littoral Society)

## About the Coalition

The Save H2O Coalition began as a project between the Highlands Coalition and the Pinelands Preservation Alliance to highlight the importance of regional planning and water supply protection in the two regions that provide water to the majority of New Jersey residents. The coalition has expanded to launch a campaign to advocate for the release of the Water Supply Master Plan. Coalition Partners include the Pinelands Preservation Alliance (PPA), the Highlands Coalition, the New Jersey League of Conservation Voters (NJLCV), the American Littoral Society and the Association of New Jersey Environmental Commissions (ANJEC).
