

PINELANDS PRESERVATION ALLIANCE

presents the

6th Annual

October 6 - October 10, 2010

In celebration of Pinelands Month in October, Pinelands Preservation Alliance (PPA) and Dan Rappoport, a bicycle touring enthusiast and longtime volunteer with PPA, have again joined forces for **5 consecutive single-day (loop) bicycle tours of the New Jersey Pinelands**. The goal is twofold: to highlight the natural and historic features of the 1 million acres of the Pinelands, and to encourage New Jersey residents to get out and explore this unique environment.

Bicycle enthusiasts and Pinelands enthusiasts are invited to participate!

The Tour de Pines will begin on Wednesday, October 6 at PPA's Bishop Farmstead in Southampton Township, traverse the length and breadth of the Pinelands National Reserve, and culminate at the Pinelands Discovery Festival at Whitesbog Village on Sunday, October 10. Each day's loop tour will **range from approx. 40-55 miles per day, with speeds of 11-13 mph**.

******The Tour de Pines is a voluntary, non-competitive, unsupported ride.**

Participants are required to provide their own transportation, food and lodging (recommendations will be provided with cue sheets).****

******Participants may elect to ride 1, 2, 3, 4 or all 5 days of the Tour******

The Tour will stop at various locations to highlight the **natural, cultural and historic treasures of the Pinelands**, including the following:
