

10th Annual

Tour de Pines

October 1 - October 5, 2014

There is no bicycle tour like this in the state of New Jersey. See the birthplace of the Jersey Devil, NJ's first state forest (Bass River), have lunch on the mysterious Bridge to Nowhere, ride through acres of pitch pine trees and open space, cross the Great Egg Harbor via the gigantic 9th Street Bridge and much more!

The Tour consists of **5 consecutive single-day bicycle tours of the New Jersey Pinelands**. It is a voluntary, non-competitive, unsupported ride. Participants can ride 1, 2, 3, 4 or all 5 days. Proceeds benefit the Pinelands Preservation Alliance, a nonprofit organization working to protect the resources on New Jersey Pinelands since 1989.
