

RANCOCAS CREEK FARM CSA 2023 REGISTRATION

We are pleased to be selling shares to our Community Supported Agriculture (CSA) for the 2023 farm season! As a CSA member, you will receive a weekly distribution of fresh, tasty, chemical-free produce grown right here on our farm. The distribution season will begin in early June and go for 21 weeks. We grow a lot of different produce throughout the year. Your share will include things like lettuce, sweet potatoes, beets, carrots, garlic, cucumbers, tomatoes, melons, onions, squash and beans. And you'll get some perhaps lesser-known crops like okra, bok choy, winter radish, collard greens and leeks. And lots of flowers and herbs! **For a complete list visit www.RancocasCreekFarm.org.** Our goal is to give you a great value for your food dollar and provide you with delicious, chemical-free food throughout the season!

Also on the 70-acre property you can sign-up for guided bird walks, hike through the native grassland, visit the Pinelands Preservation Alliance's gift shop and spend some time exploring the farm. 2023 will be our third CSA season and we anticipate selling out this winter or spring.

All shares will be picked up on the farm Tuesdays 10am-6pm and Fridays 9am-4pm
